LWVMI PROGRAM PLANNING

It’s time for local Leagues to think about State Program Planning. Please consider these positions for us to use for the next 2 years. The Positions in brief are listed here. Go to the State website www.lwvmi.org & click on Where We Stand to see the details of each position & the date each was adopted or last revised. Which do you wish to see Retained? Are there any you wish to see Dropped? Be aware that if a position is dropped, it is gone unless a majority of the membership votes to conduct a 2 year study & come to Consensus on that topic. Are there any you believe need to be Updated? Why?

We will tabulate your responses –
Contact Jeanette Hall by phone:
659-9683 or by e-mail at
dghall@tir.com

This is your opportunity to be involved in what our state & local Leagues will use for education & lobbying for the next 2 years!

Deadline: on or before March 1st
